

# Kalina Ivanova

## Student at Queen Mary University of London

### EDUCATION

---

#### Todor Minkov School

2009 – 2014

I have completed my first 5 years of education in this public school in Bulgaria before moving to Spain.

#### British School of Tenerife

2014 - 2020

I completed my IGCSEs and A-Levels in Spain. I completed 8 IGCSEs including Mathematics, Science, English Language, English Literature, German, Geography, Spanish and Business. On my A-Levels I obtained A\*AA in Computer Science, Mathematics and German respectively.

#### Cambridge Summer Course

2017

I originally signed up for this summer course, so I can experience university life and learn as much as I can about physics and mathematics. During the time I was there, I did Quantum Physics, Chemistry and Mind Games, obtaining A\*, A and B respectively at the end of the course.

#### Oxford Summer Course

2018

For a second summer in a row, I applied for a summer course, even earning a scholarship, to study Physics and the Future and CSI Oxford. I ended the course with an A and an A- respectively.

#### Queen Mary University of London

2020 -

I am currently doing a Bachelor degree in Creative Computing at Queen Mary University of London. It combines coding and art, developing both the logical and mathematical abilities as well as artistic expertise.

### WORK EXPERIENCE

---

#### Private Website Design

2020

Right after graduating from high school, I got hired to create a website by a private contractor. I was tasked with creating a website, containing all information about the As and A level Computer Science course.

### PROFILE

I am originally from Bulgaria. I spent my first 12 years of life there. Later on I moved to Spain with my family and continued my education by the British system. I finished high school there and I am currently doing a Creative Computing Bachelor's degree at Queen Mary University of London in the UK.
